By signing above, I agree to have the following pre-tax deduction taken from my paychecks effective with the next pay period after 1/1/2026. I undersand that the deduction corresponds to my medical plan election and will remain in place until next open enrollment period, on or about 1/1/2027. If I declined coverage I understand that I may not have the opportunity to enroll again until next year's open enrollment period unless I experience a qualified life event.
